2009 SHOW REPORT

INFRASTRUCTURE LIBYA 2009 ran side by side with OIL & GAS LIBYA 2009 from 16 to 19 February 2009 at the Tripoli International Fairground and attracted 4156 registered visitors.

They included government and private sector planners, specifiers and procurement officials, engineers of all disciplines, specialist contractors and trading agents.

204 exhibiting companies from 21 countries participated in the event, including national groups from Canada, China, Egypt, Germany, Italy, Malta, Poland, UK and the USA.

Libya's Minister of Trade, Mr Ali Abdul Aziz Alasawi, performed the opening ceremony.

INFRASTRUCTURE LIBYA's all embracing exhibit profile includes equipment, materials, products, technology, consultancy services, management capability and financial expertise for the expansion, upgrading and modernisation of Libya's prime sectors, including:

Building and construction:

housing; schools; hospitals; municipal projects

Transport and communications:

airports; ports; highways; bridges

Water and environment:

desalination; water treatment; sewerage and waste water systems and management

Power and electricity:

power generation, transmission and distribution

Safety and security:

cctv, access control, perimeter security, fire safety and security

Telecommunications:
